FROM THE DIRECTOR:

As a lover of Shakespearean theater and a child of 1980's Hollywood, it has been a long time dream of mine to take this most musical of Shakespeare's plays and apply a cinematic score to it. I would like to thank Kermit Christman and the Palm Beach Shakespeare Festival for giving me the opportunity to realize this dream. Working with the amazingly talented Lubben Brother's and this remarkable cast of actors and musicians has been a truly magical experience. Please enjoy your evening "by the palms" for a night of music, love and laughter!

Seth Trucks, Director
